Late spring and early summer are the times of year when underage drinking parties are most likely to occur. Experience indicates such parties often take place when the temperatures are mild and the days longer. Too often, however, these happy and well-intended gatherings result in serious injury or loss of life because young people under the age of 21 are partaking of alcoholic beverages. To help avert potential tragedy, the Bethlehem Police are requesting that anyone who is aware of an underage drinking party taking place contact them at **439-1503**. All calls received will be treated in the strictest of confidence. So don't be afraid to call. *Your call could save a life.*
