

TOWN of Bethlehem *Economic Developments*

2008 / No. 1

"The Town will grow in a manner that maintains and enhances its preeminent residential and semi-rural character through the attraction of high quality, clean, commercial development to carefully planned and strategically located sites. Residential neighborhoods in the Town will be enhanced by proximity to open space, pedestrian oriented facilities, high quality employment opportunities and neighborhood scale commercial services."

BIDA Vision Statement

What's New?

In conjunction with the Bethlehem IDA and the Bethlehem

Chamber of Commerce, the Town of Bethlehem, NY has initiated a monthly electronic bulletin to communicate information related to economic development activity in the Town.

Email subscribers will receive regular monthly bulletins - and special edition bulletins - that contain timely and newsworthy economic development news. Look forward to reports on the 9W Linkage Study (will there be a Selkirk Bypass and where will it be located?) and the Local Waterfront Revitalization Program (what is the Master Plan for Henry Hudson Park?) Keep up to date on open space and farmland protection plan and the work of the Citizens Advisory Committee on Conservation and the work of the Planning Board. When will Beacon Harbor / Beacon Heights and Vista Technology Campus move forward? Stay tuned.

Why did Town Supervisor Jack Cunningham establish the Bethlehem 20/20 Advisory Committee? What will the Delaware Avenue Linkage Study propose for the retail heart of Delmar? Look for the stories behind the headlines:

Glenmont Plaza Shopping Center

McDonalds

Van Dyke Spinney

Verstandig Condominiums

Vista Technology Campus and more.

This is the tip of the iceberg. Subscribe and keep up with economic development in the Town.
