

TOWN OF BETHLEHEM HOUSEHOLD HAZARDOUS WASTE & COMPUTER COLLECTION DAY

May 7, 2011 8:00 AM — 1:00 PM

(See Map on back of brochure)

- Only Town of Bethlehem Residents can participate.
- Proof of Residency is a valid New York State Driver's License or current town tax bill.
- Keep wastes in their original labeled containers. Tighten lids and pack securely in a cardboard box. Never mix chemicals.
- Wrap leaking containers in newspaper and place in plastic bag or container.
- DO NOT smoke near chemicals or leave product in a hot, unventilated vehicle for an extended period of time.
- For your SAFETY, please stay in your car. Workers will unload the material.

- ▼ Empty Aerosols
- ▼ Explosives/Ammunition
- ▼ Fireworks
- ▼ Radioactive Material
- ▼ Controlled Substances
- ▼ Known Dioxins
- ▼ Compressed Gases
- ▼ Commercial Wastes
- ▼ Industrial Wastes
- ▼ Medical Waste

Practice Pollution Prevention

Stormwater runoff is rain that falls on roofs, lawns, or paved areas, and is carried away by a system of stormwater pipes or culverts and ditches. As it flows over the land surface, it can be contaminated by debris, chemicals, dirt, and other pollutants. This **untreated** water is then discharged directly into the water bodies we use for swimming, fishing, and drinking water.

What You can do to Help:

- Recycle motor oil with service stations that change oil for their customers.
- Recycle antifreeze by bringing to a radiator shop.
- Use hazardous substances in the smallest amounts possible.
- Store substances properly. Clean up spills *immediately*.
- Filter and reuse paint thinner.
- Recycle or properly dispose of household products that contain chemicals, such as insecticides, pesticides, paint, solvents, used motor oil and other fluids—
Don't pour them onto the ground or into storm drains!

Participate in Household Hazardous Waste Collection Day to properly dispose of wastes.
