BETHLEHEM SENIOR TRANSPORTATION SERVICE

Bethlehem Senior Transportation Service is a cooperative project of both the Town of Bethlehem Senior Services Department and Bethlehem Senior Projects, Inc. The service was started in 1984 to provide a transportation option to independently living residents of the Town of Bethlehem* age 60 and over. Community volunteers assist with van reservations and drive the vehicles. The service, which is strictly “curb to curb”, includes cars, vans and handicapped accessible vehicles with hydraulic wheelchair lifts. As no lifting of clients is permitted, wheelchair passengers must have wheelchair-accessible entranceways. *Assistance can be provided on ramps built to code and from the curb into and out of the vehicles.* All passengers who utilize the service must be able to sit upright during transports and be able to follow basic direction. Ambulatory clients must be able to enter and exit vehicles with little or no assistance. Service is offered within a 17 mile radius of the Town Hall, as determined by staff, and is based on priority as outlined on p. 4. We are unable to transport persons to and from places of employment.

Reservations for transportation can be made on a pre-arranged basis by calling the van volunteers at 439-5770, Monday thru Friday, from 9:00 a.m. to 3:00 p.m. Call as far ahead as possible for medical appointments. Transportation is available weekdays from 8:00 a.m. to 3:00 p.m. Residents are encouraged **NOT** to make appointments after 2:00 p.m. Transportation destinations such as grocery shopping, monthly trips to shopping malls and social outings are pre-scheduled and are listed in the Senior Services newsletter which is available in the Senior Services office, on the Town of Bethlehem web site ** and on the senior transportation vehicles. Requests for visitations and other non-medical transports are considered based on daily routing schedules and space on the vehicles. Riders are encouraged to work with Senior Service staff members to accommodate needs or to make alternative arrangements.

An Intake Form, obtained through the Senior Services Department, **must** be completed and returned to the Senior Services office before accessing transportation services.

* Residing independently implies living in an apartment or house; not residing in a adult care facility, retirement community, skilled nursing facility or rehabilitation facility.
