“Residents helping residents”

The Bethlehem Senior Volunteer Program plays a major role in the Town’s overall program and service provision for the aging. The program is managed by the Bethlehem Senior Services Department and its community partner, Bethlehem Senior Projects, Inc. Without the volunteer corps, largely retirees, the community would be unable to provide the wide range of services to our older residents who are living independently.

For their part, volunteers enjoy the satisfaction of extending a helping hand to their neighbors.

Volunteer jobs may include:

- * clerical work
- * senior transportation drivers and assistants
- * senior transportation phone volunteers
- * congregate meal helpers
- * Meals On Wheels delivery
- * Blood Pressure Screening
- * Garden Bounty
- * Outreach assistance
- * Food pantry
- * Project volunteers
- * Friendly calling

In addition to community volunteers of all ages, college interns and community groups volunteer through the Services.

Student and community groups often do such things as:

- * sort food in food pantry
- * clean and wash senior vans
- * make table favors, cards, or placemats for congregate meal programs
- * provide entertainment for groups
- * cook or bake for meal group
- * assist Outreach Workers with projects
- * assist van drivers with grocery shopping or social programs
