

# CONTRACTOR and SUBCONTRACTOR CERTIFICATION STATEMENT

**As per Part III.A.5 of GP-0-08-001:**

- Prior to the *commencement of construction activity*, the *owner or operator* must identify the contractor(s) and subcontractor(s) that will be responsible for installing, constructing, repairing, inspecting and maintaining the erosion and sediment control practices included in the SWPPP; and the contractor(s) and subcontractor(s) that will be responsible for the construction of all post-construction stormwater management practices included in the SWPPP.
- The *owner or operator* shall have each of these contractors and subcontractors identify at least one *trained individual* from their company that will be responsible for implementation of the SWPPP.
- The *owner or operator* shall ensure that at least one *trained individual* is on site on a daily basis when soil disturbance activities are being performed.

_____	NYR _____	TOWN OF BETHLEHEM
Project Name	NYSDEC Permit ID	Municipality approving SWPPP

*"I hereby certify that I understand and agree to comply with the terms and conditions of the Stormwater Pollution Prevention Plan (SWPPP) and agree to implement any corrective actions identified by the qualified inspector during a site inspection. I also understand that the owner or operator must comply with the terms and conditions of the New York State Pollutant Discharge Elimination System ("SPDES") general permit for stormwater discharges from construction activities and that it is unlawful for any person to cause or contribute to a violation of water quality standards. Furthermore, I understand that certifying false, incorrect or inaccurate information is a violation of the referenced permit and the laws of the State of New York and could subject me to criminal, civil and/or administrative proceedings. "*
