

AED # 1 – Backside of Line Drive Baseball Field #10's Home Dugout (1<sup>st</sup> Base Line.)

AED # 2 – Underneath the Large Pavilion, between the bathrooms.

AED # 3 – Between the Pool's Public Entrance and the Warming Hut in the covered observation area.

AED # 4 - Left side of the Parks and Rec Administrative Offices, where FOU gets parked/plugged in.

The AEDs (with Narcan & Stop the Bleed kits) have been placed in locked enclosures that prompt the bystander with instructions to call 911 to both report the emergency and to receive the access code to open the unit. Each unit is labeled with a number to indicate location, see map and corresponding locations descriptions. This information is to assist 911 with the users exact location for prompt emergency response.
