- Other:

OVER

***Annuity Recipients Please Note:** For the purpose of this exemption and according to NYS Office of Real Property Tax Services Office of Counsel, it is your responsibility to provide documentation of the portion of your distribution which is a return **of** your investment. Return **on** your investment (whether taken or not) is considered “**income**”. Without documentation to the contrary, your entire annuity payment(s) will be considered as a return **on** your investment (“**income**”). Contact you investment advisor for assistance. However, remember there are differences between investment procedures and the regulations we must follow.

***IRA income**, from your year-end statement, will now be counted in your gross income whether you take a distribution or not.*

If you are claiming **unreimbursed medical expenses** please provide written documentation or a schedule A if filed. Examples of medical expenses would be: Medicare, insurance, prescriptions, doctor bills or co-pays, dental expenses, eye care expenses, hospital expenses or any other medical procedures, not including cosmetic surgery, which were not covered or reimbursed by insurance. Please keep all of your receipts together and handy in case of an audit.

Maximum Annual Gross 2017 Income less medical expenses for your 2019 exemption is \$37,400.

*Due to new regulations and auditing of NYS Assessor’s offices we **cannot accept** your application until it is **complete** with all the required documentation.*
