

Camp Director, Emma Cremo

I have worked for the Town of Bethlehem for 6 years. I was a counselor in the Sunny Day Camp/Camp Adventure program for 3 years and last year was my first year as the Camp Director. I currently work as a substitute teacher at Ichabod Crane Primary School for grades K-3rd, and I spend as much time as possible helping out in a 1st grade inclusive classroom. I also volunteer as an assistant coach for the Ichabod Crane Girls Lacrosse Club grades 4th-7th.

I'm from Delmar and I just moved back home after spending the past four school years living in Oneonta! I graduated from SUNY Oneonta with a degree in Early Childhood/Childhood Education (Birth-6th Grade) with a concentration in Liberal Art. My career goal is to be a classroom teacher at the elementary level. I would also like to eventually earn a Master's Degree in Special Education. Now that I've graduated I am looking forward to spending more time hiking, reading, and hopefully running a half marathon.

I love working at camp because I love working with kids! So many kids attend camp for multiple sessions, or even come back every summer; getting to know the kids that I spend every day with is such a blessing. All school year I look forward to coming back to see returning campers and meet new campers!

Lead Counselor, Brittany McKeown

I have worked for the Town of Bethlehem as an employee for 5 years and as a volunteer for 1 year. I have been a counselor in the Sunny Day Camp/Camp Adventure program for the last 4 years. I have babysat since I was 14, tutor in the summers, and work for the School's Out program. I'm from Glenmont and I currently attend SUNY Oneonta pursuing a major in Early Childhood/Childhood Education. I hope to return to the Capital Region after college and work as an elementary school teacher. I enjoy spending time with my family and friends, photography and making new memories! I love working at camp because I love knowing that I played a role in making the summer fun and enjoyable for the campers!

Lead Counselor, Anna Ganley

I have worked for the Town of Bethlehem as an employee for 4 years and as a volunteer for 2 years. I have been a counselor in the Sunny Day Camp/Camp Adventure program for the last 3 years. I have babysat since I was 13 and have volunteered for several Glenmont school carnivals, field days, and classroom help throughout my high school years. I'm from Delmar and currently attend the University of New Hampshire pursuing a dual major in Psychology and Education. I hope to be an elementary school teacher! I enjoy spending time with my friends and family, running, and going to the beach. I love working at camp because we have so many fun outdoor activities and trips planned for the whole summer! I enjoy seeing our campers laugh and play and I look forward to creating more great summer memories for them!
